

Date: September 25, 2018

To,
Professor In-Charge,
Law Centre 1, Faculty of Law,
University of Delhi, New Delhi

Ref: Letter dated April 10, 2018, LC-1/2018/10989

Subject: Monthly Report (August) of the Committee for Prevention and Control of Vector Borne Diseases.

Respected Madam,

This is with reference to the Committee constituted for the Prevention and Control of Vector Borne Diseases to monitor the prevention and control of vector borne diseases in and surrounding of Law Centre 1, Faculty of Law and to take preventive measures to ensure healthy surroundings.

The Members held a meeting on August 23, 2018 to ensure preventive actions for healthy surroundings. In this regard, insecticide fogging drive was carried out in and around Faculty of Law, the Law Centre I (Old Building) and Umang Bhawan (New Law Building) on August 31, 2018 with the cooperation of the Estate Branch of the University & under the supervision of Committee Members and Shri Shiv Nath ji.

It was further decided that the spraying of chemicals/ insecticides shall be carried out in September also to prevent the outbreak of vector borne diseases at the end of monsoon season.
